Intro: (x2)

Verse 1:

There were times I was shaken
Battling unbelief
I was left with these questions
Will I die here or will I see

Pre-Chorus:

All Your promises
Heavens providence
As I stare at the summit

You're telling me
Son be confident
In what I have said
If you just believe

Chorus:

You can speak to the mountain
Tell it to move
And it will move, yes it will move
Sing to the valley
Dance through the shadows
And life will bloom
Yes life will bloom

Interlude:

Verse 2:

As I stand in this moment
I've finally realized
It's all in what's spoken
It was never about the climb

Pre-Chorus:

Cause your promise is
Heavens providence
At the base of the summit
I now can see

If I'm confident
In what you have said
And I just believe

Chorus 2: (x2)

I can speak to the mountain
Tell it to move
And it will move, yes it will move
I can sing to the valley
Dance through the shadows
