Intro:

Verse 1:
There is no shadow that has ever overcome Your light
And there is no rival that could ever stand against Your might
You've always been with us
Every battle You've already won, oh, we've already won

Verse 2:
There is no weapon that has ever left a mark on You
And there is no army with the power to conquer truth
You've always been with us
Every battle, You've already won, You've already won

Chorus:
Show me one thing He can't do
Show me a mountain He can't move
He is the God of the breakthrough
And anything is possible
Show me one thing that's too hard
Show me waters he can't part
He is the God of the breakthrough
And anything is possible
Is possible

Verse 3:
There is a kingdom that's advancing at the speed of light
And in His kingdom, every dead thing is bound to rise
Oh God, our redeemer
He His faithful to revive, oh, He will revive

Chorus:
Show me one thing He can't do
Show me a mountain He can't move
He is the God of the breakthrough
And anything is possible
Show me one thing that's too hard
Show me waters he can't part
He is the God of the breakthrough
And anything is possible

Bridge 1: (Unison)
Now, all of my fear, I will turn into praise

Shake off despair as I sing out Your name
A victory dance, I will dance loud in faith

I will crush disappointment and break every chain

Bridge 2: (Harmony)
Now, all of my fear, I will turn into praise
Shake off despair as I sing out Your name
A victory dance, I will dance loud in faith
I will crush disappointment and break every chain

Oh, all of my fear, I will turn into praise
Shake off despair as I sing out Your name
A victory dance, I will dance loud in faith
I will crush disappointment and break every chain
